Chase Brexton Health Care

PRESENTS

AN EVENING AT THE

Moulin Rouge

Saturday, May 2, 2020 · 6pm to 11pm

An intimate affair at the home of Paul B. Fowler, MD & Franklin N. McNeil, Jr.

Sequins & feathers. Can-can & burlesque.
It's an evening in Paris in Charm City. Join us for cocktails,
delicious delicacies, and dancing under the stars for
Chase Brexton Health Care's single signature event of the year.

Proceeds support two of Chase Brexton's most vital community programs.

Supporting those living below and near the poverty line, the *Hope Lives Here Fund* provides patients-in-need, your neighbors and community members, with financial support for their urgent health-related expenses.

&

Significantly in demand, the *LGBT Health Equity Training Team* provides crucial education and training to prepare agencies, major employers, and, ultimately, our communities as a whole to better welcome, affirm, and provide care for LGBT individuals.

CHASE BREXTON HEALTH CARE: LGBT EDUCATION AND TRAINING

One of our core products in the LGBT Health Resource Center is our teaching. We teach how to welcome, affirm and care for our LGBT members with dignity, respect, and expertise. Our team is in high demand to facilitate developed training programs and products that are valuable to other health care agencies, and major employers who are ready to invest in true inclusion and need our expertise. It takes an enormous investment to provide the level of enterprise wide training we are working toward.
