

CORPORATE PARTNERS PROGRAM

Our Corporate Partners consistently go above and beyond to support Chase Brexton Health Care's mission to provide compassionate, quality health care that honors diversity, inspires wellness, and improves our communities.

With their support, we are able to provide comprehensive medical, OB/GYN, behavioral health, and dental services to everyone, regardless of their ability to pay. Our Partners take us into their corporate families and make Chase Brexton a part of their culture. They encourage their employees to volunteer their time through local events and leadership roles and engage their customers and vendors on our behalf.

We thank each of our partners and their communities for their generosity and their commitment in helping us... *Because everyone's health matters.*

VOLUNTEER ENGAGEMENT

Help at the Office

Chase Brexton Health Care welcomes office volunteers with skills in data entry, organization, graphic design, writing/editing, mailings, and the million and one tasks it takes to fundraise.

Volunteer for a Health Fair

Having a presence at health fairs lets people know we are in their community. We have many more health fair opportunities than we can attend. Volunteers can help!

Pitch in at an Event

Each year, Chase Brexton needs a virtual army of volunteers to make our events truly special and our walk a celebration of grassroots fundraising. Whether you register guests for our annual gala, pass out t-shirts at a walk, help set up a silent auction, or cheer on Team Chase, your one day of service can help make a huge difference.

Join a Committee

Most of our "behind the scenes" work is accomplished by folks who can commit additional time and resources to organize events and walks. We need leaders to head up committees for areas such as auction procurement, sponsorship, logistics, and planning. We also form committees that work in specific areas of Marketing & Communications, Corporate Development.

Get Your Company Involved

As a small business owner or professional, your skills and products can make a huge impact on Chase Brexton's mission. You can make a gift of your printing or design services, contribute your photography skills, use your public relations firm to help get press for an event, or donate a company product or service for our live and silent auctions. The list is endless!
