HIV ENDS WITH US

Become a Baltimore AIDS Walk & Music Festival Sponsor

Now in its fifth year, the Baltimore AIDS Walk could not be a success without the generosity and support of our corporate, local business and community organization partners. With your help, we can end the impact of HIV in Baltimore and Maryland by expanding the education, testing, prevention, and treatment programs of Chase Brexton Health Care and its Community Partners.

Sponsoring the Baltimore AIDS Walk & Music Festival offers affiliation with a well-known cause, and provides an excellent return on investment through some of the following:

- Over 1,500 unique visitors through internet, media and marketing campaign
- Approximately 500 fundraising runners/walkers
- Approximately 20,000 website hits
- Statewide and local media and advertising outreach/campaign

Your support of the 2019 Baltimore AIDS Walk & Music Festival will help strengthen and expand programs that pledge to change the course of HIV and bring it to ZERO.

If your organization is interested in joining us as a sponsor, or would like to discuss a customized sponsor package, please contact us at info@baltimoreaidswalk.org.

We look forward to working with you in the months ahead to make sure the Baltimore AIDS Walk & Music Festival is a success.

Undetectable = Untransmittable

Are U in the Conversation?

Undetectable = Untransmittable (U=U) is a global campaign that is sharing the message that people living with HIV who take their medications and maintain an undetectable viral load cannot transmit HIV to their sexual partners. This year, Chase Brexton is proud to partner with the Baltimore City Health Department in bringing the U=U message to the 2019 Baltimore AIDS Walk & Music Festival.

For more information, facts and to get involved with U=U, please visit uequalsmaryland.org.
