SILENT AUCTION FORM

Chase Brexton's gala's silent auction presents a spectacular opportunity to showcase your business and to support our mission. With our intimate setting at the private home of our donors, our goal is to raise $20,000 solely from the auction, and we encourage you to consider supporting the auction with a high-value product donation. **We welcome all donations; prizes valued at $500+ will be showcased prior to the event.**

By participating in the Chase Brexton gala's silent auction, you are helping to provide health care for Chase Brexton patients who are in-need and are living in your community. To help fight the novel COVID-19 pandemic, the **COVID-19 Emergency Response Fund** will ensure patients continue to receive services while reducing the risk of spreading the virus. Supporting those living below and near the poverty line, the **Hope Lives Here Fund** provides patients-in-need, your neighbors and community members, with financial support for their urgent health-related expenses. Also in demand, the **LGBT Health Equity Training Team** provides crucial education and training to prepare agencies, major employers, and, ultimately, our communities as a whole to better welcome, affirm, and provide care for LGBT individuals.

The deadline for submission of your auction item and for your business to be listed in the program book is September 14, 2020. Please briefly describe the item you are providing. Please use a separate form for each item you wish to donate.
